My Profile Summary

Experienced UX UI Front-End Lead Engineer with over 19 yrs of expertise in UI/UX web design and development for responsive web applications. Skilled in HTML5, CSS3, Bootstrap, JavaScript, ES6, Angular, React RTK & Redux, Vite, Node, NPM, and Java Micro-services. Proficient in design tools such as Photoshop, Figma, Adobe XD, Sketch, and Invision App. Consistently adheres to RWD and W3C standards, ensuring compliance with accessibility standards. Achievements include leading front-end engineering projects and driving compelling HCD/UXD websites and interfaces. Seeking a Lead Engineer position at a company that values innovation and user experience design.

Lead UI Engineer – Proven track record of leading successful front-end engineering projects and teams.

Expertise in UX Design – Highly skilled in creating elegant user interfaces with a focus on user experience design.

Technical Proficiency – Proficient in a wide range of front-end technologies, design tools, and development processes.

Agile Methodologies – Extensive experience working in Agile environments and leading teams in Agile transformation.

Achievements

Financial Spreading UI

Developed UI using reusable below component library in micro-frontend with rich AG Grid interfaces.

UI Core Library Development

Developed reusable Pattern UI library, enhancing application efficiency

Orion UI & MIDANZ

Led UX design overhaul, simplifying user journey, increasing engagement by 30%.

eKYC Implementation

Led eKYC flows, boosting banker productivity by 30%

Strengths

Adaptability

Successfully migrated over 4 websites to new platforms with AA accessibility and ensured seamless transition.

Problem Solving

Modified and fixed over 500 coding bugs, improved website performance by 15%

Collaborative

Always keen to share my knowledge, help, discuss, teach and learn from others.

Communication

Successfully translated complex technical jargon into layman's terms for stakeholders and team for implementation

Hobbies & Interest

Travel, Movies, Cricket, OTT

Passion

User Experience (UX) Design
User-Centric Mindset
Continuous Learning
Leadership
Innovation

Languages

English, Hindi, Kannada, Marathi

My Project Profile

● WCP Financial Spreading and Web UI Reusable Components

I was responsible for building reusable UI Component library and developing the User experience side of UI functionalities for the WCP Financial Spreading micro-frontend with rich AG Grid interfaces,

Tech Stack: Used cutting edge latest technology stack such as HTML5, CSS3, React 18, React Hooks, RTK state management, Typescript, ES6, Node NPM, React Vite, CSS Vanilla Extract, React Storybook, RTL, Vitest unit test execution, Figma Design Tokens
Design: Figma

Reusability, Accessibility, Extensibility are the key successful outcome

● Orion UI & MIDANZ Application

I was responsible for leading UI technically and developing the Customer Experience side of UI functionalities for the application.

Tech Stack: HTML5, CSS3, Bootstrap, React Redux, React Hooks, JavaScript/jQuery, Node NPM, Grunt, Gulp, Jasmine with RTL unit test execution.
Design: Figma

Better UX Design Flows, Reduced pain points and simplified journey, Feature Toggling are the key successful outcome

● KODO, Banker Desktop, PLBD, Sherlock – Home Loan Calculator, VOLA, FATCA, BML

I was responsible for leading technically and developing the Banker Experience side of UI functionalities with responsive SPA.

Tech Stack: HTML5, CSS3, Bootstrap, AngularJS, React Redux, React Hooks, SASS, MIDDLEMAN, RUBY Gems, JavaScript/jQuery, Node NPM, Grunt, Gulp, Jasmine unit test.
Design: Adobe XD, Sketch & Invision, Photoshop

eKYC Flows, Exploring Banker Experience, UXD, Angular to React Migration are the key successful outcome

My Educational Qualification

- | | |
|-------------|--|
| 2008 – 2009 | ● M.Phil in Computer Science from VMU (Distance Education) with 67%. |
| 2004 – 2006 | ● M.Sc in Computer Science from Kuvempu University with 77%. |
| 2001 – 2004 | ● B.Sc in Computer Science from Kuvempu University with 61%. |

My Personal Details

Date of Birth:	April 11, 1983
Father's Name:	Mr. T.G. Mahadevarao
Postal Address:	F1205, Hridhisha, Rohan Akriti, JHCS Layout, Subramanyapura, Gubbala, Bengaluru – 560061
Marital Status:	Married
Nationality:	Indian
Passport:	Valid
